

Renegade Gold Announces \$1 Million Flow-Through Private Placement

*NOT FOR DISTRIBUTION TO UNITED STATES NEWS WIRE SERVICES
OR FOR DISSEMINATION IN THE UNITED STATES*

VANCOUVER, BC, December 5, 2024 – **Renegade Gold Inc.** (TSXV: RAGE, OTCQX: TGLDF, FSE: 070) (“**Renegade**” or the “**Company**”) announces that it proposes to undertake a non-brokered private placement of flow-through common shares (“**FT Shares**”) at a price of \$0.18 per FT Share for gross proceeds of up to \$1 million (the “**Placement**”).

The Company intends to use the gross proceeds of the Placement to incur “Canadian exploration expenses” that are “flow-through mining expenditures” (as such terms are defined in the *Income Tax Act* (Canada)) related to the Company’s projects in Ontario. In particular, the gross proceeds will be used to advance the Company’s exploration program in the highly prospective Red Lake District, Ontario. The program will focus on follow-up drilling at the Newman Todd project, where recent results included an intersection of 14.0 g/t Au over 7.3 meters (see Renegade news release dated September 25, 2024). Additionally, Renegade will prioritize high-priority drill targets across its Red Lake properties, including Gullrock, an underexplored section of the Balmer assemblage on the Red Lake Mine trend, as well as its central Red Lake property adjacent to Kinross’s Great Bear Project, Evolution Mining, and West Red Lake Gold’s Madsen deposit.

The Company may pay finders’ fees comprised of cash and non-transferable warrants in connection with the Placement, subject to compliance with the policies of the TSX Venture Exchange and applicable securities laws. The Company anticipates closing of the Placement (in one or more tranches) as soon as practicable subject to receipt of all necessary regulatory approvals, including the approval of the TSX Venture Exchange. All securities issued under the Placement will be subject to applicable regulatory holds expiring four months and one day from date of issue.

This news release does not constitute an offer to sell or solicitation of an offer to sell any securities in the United States. The securities have not been and will not be registered under the United States Securities Act of 1933, as amended (the “U.S. Securities Act”) or any state securities laws and may not be offered or sold within the United States or to U.S. Persons unless registered under the U.S. Securities Act and applicable state securities laws or an exemption from such registration is available.

About Renegade Gold Inc.

Renegade Gold Inc. is a growth focused company engaged in the business of acquisition, exploration and development of mineral properties located in the Red Lake Mining District of Northern Ontario. As part of its regional-scale consolidation strategy, the Company has assembled one of the largest prospective land packages in and around the Red Lake mining district in proximity to major mines and deposits, as well as along the Confederation Lake and Birch-Uchi greenstone belts. The completion of the acquisition of Pacton Gold Inc. extends the Company’s ownership in Red Lake to over 89,600 hectares of prospective and diversified exploration properties with significant potential for gold and critical minerals on trend with the major structures hosting known gold occurrences in the Red Lake mining district today.
