INFORMATION CIRCULAR

The information contained in this Information Circular, unless otherwise indicated, is as of November 6, 2024.

This Information Circular is in respect of the annual general meeting (the "Meeting") of the shareholders of Renegade Gold Inc. (the "Company") to be held on December 12, 2024, at the time and place set out in the accompanying Notice of Meeting. This Information Circular is furnished in connection with the solicitation of proxies by management of the Company for use at the Meeting and any adjournment of the Meeting. The Board of Directors of the Company (the "Board") has fixed the close of business on November 4, 2024, as the record date (the "Record Date"), being the date for the determination of the registered holders of common shares entitled to receive notice of, and to vote at, the Meeting and any adjournment thereof.

PART 1 – PROXY INSTRUCTIONS

MANAGEMENT SOLICITATION AND APPOINTMENT OF PROXIES

The persons named in the form of proxy are nominees of the Company's management. A shareholder has the right to appoint a person (who need not be a shareholder) to act for and on the shareholder's behalf at the Meeting other than the persons designated as proxyholders in the form of proxy. To exercise this right, the shareholder must either:

- (a) on the form of proxy, strike out the printed names of the individuals specified as proxyholders and insert the name of the shareholder's nominee in the blank space provided; or
- (b) complete another proper form of proxy.

To be valid, a proxy must be dated and signed by the shareholder or by the shareholder's attorney authorized in writing. In the case of a corporation, the proxy must be signed by a duly authorized officer of or attorney for the corporation.

The completed proxy, together with the power of attorney or other authority, if any, under which the proxy was signed or a notarially certified copy of the power of attorney or other authority, must be delivered to Computershare Investor Services Inc. ("**Computershare**"), Suite 301 – 100 Adelaide Street West, Toronto, Ontario M5H 4H1; fax within North America: 1-866-249-7775; fax outside North America: 416-263-9524, not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time for holding the Meeting or any adjournment thereof. Computershare also offers voting via the internet. Instructions for internet voting can be found on the enclosed form of proxy or voting instruction form.

REVOCABILITY OF PROXIES

A shareholder who has given a proxy may revoke it at any time before the proxy is exercised:

- (a) by an instrument in writing that is:
 - (i) signed by the shareholder, the shareholder's attorney authorized in writing or, where the shareholder is a corporation, a duly authorized officer or attorney of the corporation; and
 - (ii) delivered to Computershare at any time up to and including the last business day preceding the day of the Meeting or any adjournment of the Meeting, or delivered to the Chairperson of the Meeting on the day of the Meeting or any adjournment of the Meeting before any vote on a matter in respect of which the proxy is to be used has been taken; or
- (b) in any other manner provided by law.

EXERCISE OF DISCRETION BY PROXYHOLDERS

A shareholder may indicate the manner in which the persons named in the form of proxy are to vote with respect to a matter to be acted upon at the Meeting by marking the appropriate space. If the instructions as to voting indicated in the proxy are certain, the shares represented by the proxy will be voted or withheld from voting on any ballot that may be called for in accordance with the instructions given in the proxy.

If the shareholder specifies a choice in the proxy with respect to a matter to be acted upon, then the shares represented will be voted or withheld from the vote on that matter accordingly. If no choice is specified in the proxy with respect to a matter to be acted upon, the proxy confers discretionary authority with respect to that matter upon the proxyholder named in the form of proxy. It is intended that the proxyholder named by management in the form of proxy will vote the shares represented by the proxy in favour of each matter identified in the proxy and for the nominees of the Company for directors and auditor.

The form of proxy also confers discretionary authority upon the named proxyholder with respect to amendments or variations to the matters identified in the Notice of Meeting and with respect to any other matters which may properly come before the Meeting. As of the date of this Information Circular, management of the Company is not aware of any such amendments or variations, or any other matters that will be presented for action at the Meeting other than those set out herein and referred to in the Notice of Meeting. If, however, other matters that are not now known to management properly come before the Meeting, then the persons named in the form of proxy intend to vote on them in accordance with their best judgment.

SOLICITATION OF PROXIES

It is expected that solicitations of proxies will be made primarily by mail and possibly supplemented by telephone or other personal contact by directors, officers, employees and consultants of the Company without special compensation. The Company will not reimburse shareholders' nominees or agents (including brokers holding shares on behalf of clients) for the costs incurred in obtaining authorization to execute forms of proxy from their principals. The cost of solicitation will be borne by the Company.

ADVICE TO BENEFICIAL SHAREHOLDERS

ONLY REGISTERED SHAREHOLDERS OR DULY APPOINTED PROXYHOLDERS ARE PERMITTED TO VOTE AT THE MEETING. SHAREHOLDERS WHO DO NOT HOLD THEIR SHARES IN THEIR OWN NAME (REFERRED TO AS "**NON-REGISTERED SHAREHOLDERS**") ARE ADVISED THAT ONLY PROXIES FROM SHAREHOLDERS OF RECORD CAN BE RECOGNIZED AND VOTED AT THE MEETING. Non-Registered Shareholders who complete and return an instrument of proxy or voting instruction form must indicate thereon the person (usually a brokerage house) who holds their shares as a registered shareholder.

If securities are listed in an account statement provided to a shareholder by a broker, then in almost all cases those securities will not be registered in such shareholder's name on the records of the Company and will more likely be registered under the name of the shareholder's broker or an agent of that broker. In Canada, the vast majority of such securities are registered under the name of CDS & Co. (the registration name for CDS Clearing and Depository Services Inc., which company acts as nominee for many Canadian brokerage firms). Securities held by brokers or their nominees can only be voted (for or against resolutions) upon the instructions of the beneficial shareholder. Without specific instructions, brokers/nominees are prohibited from voting securities for their clients.

If you are a Non-Registered Shareholder and Computershare has sent Meeting materials directly to you, your name and address and information about your shareholdings have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf. Such shareholders can expect to receive a scannable voting instruction form ("**VIF**") with this Meeting material. The VIF is to be completed and returned to Computershare in the envelope provided or by facsimile. In addition, Computershare provides both telephone voting and internet voting as described in the VIF. Computershare will tabulate the results of the VIFs received from beneficial shareholders and will provide appropriate instructions at the Meeting with respect to the shares represented by the VIFs they receive. A NON-REGISTERED SHAREHOLDER RECEIVING A VIF CANNOT USE THAT VIF TO VOTE SECURITIES DIRECTLY AT THE MEETING. THE VIF MUST BE RETURNED TO COMPUTERSHARE WELL IN ADVANCE OF THE MEETING IN ORDER TO HAVE THE SHARES VOTED. Non-Registered Shareholders who have objected to their broker/nominee disclosing ownership information about themselves to the Company are referred to as objecting beneficial owners ("**OBOs**"). In accordance with securities regulatory policy, we will have distributed copies of the required Meeting materials to the brokers/nominees for onward distribution to OBOs. THE COMPANY DOES NOT INTEND TO PAY FOR A BROKER/NOMINEE TO DELIVER MEETING MATERIALS TO OBOS. THEREFORE, AN OBO WILL NOT RECEIVE THE MATERIALS UNLESS THE OBO'S BROKER/NOMINEE ASSUMES THE COSTS OF DELIVERY. Brokers/nominees are required to forward the Meeting materials to each OBO unless the OBO has waived the right to receive them. Every broker/nominee has its own mailing procedures and provides its own return instructions, which should be carefully followed by OBOs in order to ensure that their securities are voted at the Meeting. Often the form of proxy supplied to a beneficial shareholder by its broker is identical to the form of proxy provided by the Company to the registered shareholders; however, its purpose is limited to instructing the registered shareholder how to vote on behalf of the beneficial shareholder.

Should a Non-Registered Shareholder receiving a form of proxy or VIF wish to vote at the Meeting, the Non-Registered Shareholder should strike out the names of the management proxyholders named in the form and insert the Non-Registered Shareholder's name in the blank provided and return the materials to the broker or Computershare as directed and well before the Meeting date.

UNITED STATES SHAREHOLDERS

This solicitation of proxies involves securities of a corporation incorporated in Canada and is being affected in accordance with the corporate laws of the Province of British Columbia, Canada and securities laws of the provinces of Canada. The proxy solicitation rules under the United States *Securities Exchange Act of 1934*, as amended, are not applicable to the Company or this solicitation. Shareholders should be aware that disclosure and proxy solicitation requirements under the securities laws of the provinces of Canada differ from the disclosure and proxy solicitation requirements under United States securities laws. The enforcement by shareholders of civil liabilities under United States federal securities laws may be affected adversely by the fact that the Company is incorporated under the *Business Corporations Act* (British Columbia), all of its directors and its executive officers are residents of Canada and a significant portion of its assets and the assets of such persons are located outside the United States. Shareholders may not have standing to bring a claim against a foreign corporation or its officers or directors in a foreign court for violations of United States federal securities laws. It may be difficult to compel a foreign corporation and its officers and directors to subject themselves to a judgment by a United States court.

PART 2 - VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

The Company has only one class of shares entitled to be voted at the Meeting, namely, common shares without par value (each a "**Share**"). All issued Shares are entitled to be voted at the Meeting and each has one vote. As of November 4, 2024, there were 47,223,231 Shares issued and outstanding.

Only shareholders of record on November 4, 2024, will be entitled to vote at the Meeting or any adjournment thereof.

To the knowledge of the directors and executive officers of the Company, no person beneficially owns, or exercises control or direction, directly or indirectly, over Shares carrying 10% or more of the voting rights attached to all outstanding Shares of the Company which have the right to vote in all circumstances.

PART 3 – THE BUSINESS OF THE MEETING

FINANCIAL STATEMENTS

The audited financial statements of the Company for the year ended June 30, 2024, will be placed before shareholders at the Meeting. These financial statements and management's discussion and analysis are also available for review on SEDAR+. See Part 8 "OTHER INFORMATION – Additional Information" below.

SETTING NUMBER OF DIRECTORS

Management proposes to nominate the persons named under the heading "Election for Directors" below for election as directors of the Company. Each director elected will hold office until the next annual general meeting or until his

or her successor is duly elected or appointed, unless his or her office is earlier vacated in accordance with the Articles of the Company or he or she becomes disqualified to act as a director.

It is proposed to set the number of directors at five. This requires the approval of the shareholders of the Company by an ordinary resolution, which approval will be sought at the Meeting.

Unless the shareholder directs that his or her Shares be otherwise voted or withheld from voting in connection with the setting of the number of directors, the persons named in the enclosed Proxy will vote FOR the number of directors of the Company to be set at five.

ELECTION FOR DIRECTORS

The Board presently consists of five directors. At the Meeting, it is proposed to maintain the number of directors elected at five, to hold office until the next annual general meeting or until their successors are duly elected or appointed. Unless the shareholder directs that his or her Shares be otherwise voted or withheld from voting in connection with the election of directors, the persons named in the enclosed Proxy will vote FOR the election of the five nominees whose names are set forth below. Management does not contemplate that any of the following nominees will be unable to serve as a director but if that should occur for any reason prior to the Meeting, the persons named in the enclosed Proxy shall have the right to vote for another nominee in their discretion.

The following table and notes thereto state the names, provinces and countries of residence of all persons proposed to be nominated for election as directors, the date on which each of them first became a director of the Company, all positions and offices with the Company held by each of them, the principal occupation or employment of each of them, and the number of Shares beneficially owned, or controlled or directed, directly or indirectly, by each of them. Except as disclosed below, as at the date of this Information Circular, and within the last 10 years before the date of this Information Circular, no proposed director of the Company (or any of their personal holding companies) was a director, chief executive officer or chief financial officer of any company (including the Company) that:

- (a) was subject to a cease trade or similar order or an order denying the relevant company access to any exemptions under securities legislation, for more than 30 consecutive days while that person was acting in the capacity as director, executive officer or chief financial officer; or
- (b) was the subject of a cease trade or similar order or an order that denied the issuer access to any exemption under securities legislation in each case for a period of 30 consecutive days, that was issued after the person ceased to be a director, chief executive officer or chief financial officer in the company and which resulted from an event that occurred while that person was acting in the capacity as director, executive officer or chief financial officer; or

R. Dale Ginn was the President and CEO of SGX Resources Inc. when it did not file by the filing deadline its audited financial statements and management's discussion and analysis for the year ended December 31, 2014 and the related certification of annual filings. On May 1, 2015, the Manitoba Securities Commission issued an order ceasing the trading in or purchasing of securities of SGX Resources Inc. by Mr. Ginn. This cease trade order was revoked on June 3, 2015.

Conflicts of Interest

The directors of the Company are required by law to act honestly and in good faith with a view to the best interest of the Company and to disclose any interests which they may have in any project or opportunity of the Company. If a conflict of interest arises at a meeting of the Board, any director in a conflict will disclose his interest and abstain from voting on such matter. In determining whether or not the Company will participate in any project or opportunity, the directors will primarily consider the degree of risk to which the Company may be exposed and its financial position at that time.

Except as disclosed in this Information Circular, to the Company's knowledge, there are no known existing or potential conflicts of interest among the Company and its promoters, directors, officers or other members of management as a result of their outside business interests except that certain of the directors, officers, promoters and other members of management now or may in the future serve as directors, officers, promoters and members of management of other public companies, some of which are or may be involved in the exploration and development of natural resources, and therefore it is possible that a conflict may arise between their duties as a director, officer, promoter or member of management of such other companies.

APPOINTMENT OF THE AUDITOR

At the Meeting, shareholders will be asked to consider, and if deemed advisable, to pass the following resolution with respect to the appointment of auditors for the Company:

"RESOLVED, as an ordinary resolution, THAT Davidson & Company LLP, Chartered Professional Accountants, be appointed as the Company's auditor for the ensuing year, at a remuneration to be fixed by the Board of Directors."

Unless such authority is withheld, the persons named in the enclosed form of proxy intend to vote FOR the appointment of Davidson & Company LLP, Chartered Professional Accountants, to serve as auditor of the Company until the next annual general meeting of the Company's shareholders and to authorize the Board to fix the remuneration to be paid to the auditor.

ANNUAL APPROVAL OF LONG-TERM INCENTIVE PLAN

TSX Venture Exchange ("**TSXV**") Policy 4.4 ("**Policy 4.4**") specifies that an issuer seeking to grant or issue any form of Security Based Compensation (as that term is defined in Policy 4.4), must adopt a Security Based Compensation Plan. The Company's current long-term incentive plan (the "LTIP"), which was adopted by the Board on November 20, 2020 and last approved by the shareholders of the Company on December 20, 2022, is a combined "rolling" and "fixed" Security Based Compensation Plan pursuant to which: (i) the aggregate number of Shares reserved for issuance pursuant to stock options granted thereunder may not exceed, at the time of grant, in aggregate 10% of the Company's issued and outstanding Shares, and (ii) the aggregate number of Shares reserved for issuance pursuant to all other equity incentive awards granted under the LTIP cannot exceed 751,686 Shares. Policy 4.4 requires that shareholder approval for combined "rolling" and "fixed" Security Based Compensation Plans must be obtained annually. Accordingly, at the Meeting, shareholders will be asked to ratify and approve the LTIP. Shareholders may request a copy of the LTIP prior to the Meeting by contacting the Company at the address on the Notice of Meeting.

	Overview
Eligible Participants	For all awards, any director, officer, employee or consultant (including employees of companies providing management services to the Company) of the Company or any subsidiary of the Company who is eligible to receive awards under the LTIP (collectively, " Participants ").
Types of Awards	Stock options, Performance Share Units (" PSUs "), Restricted Share Units (" RSUs ") and Deferred Share Units (" DSUs ", and together with stock options, PSUs and RSUs, collectively " Awards "). Awards shall be exercisable for or settled in (as applicable) Common Shares.
Number of Securities Issued and Issuable	The aggregate number of Common Shares to be reserved and set aside for issue upon the exercise or redemption and settlement for all stock options granted under the LTIP, together with all other established security-based compensation arrangements of the Company, shall not exceed 10% of the issued and outstanding Common Shares at the time of granting the stock option (on a non-diluted basis). The stock option component of the LTIP is a "rolling" plan, thus if the Company issues additional Common Shares in the future the number of the Common Shares issuable under the LTIP will increase accordingly. The aggregate number of Common Shares to be reserved and set aside for issue upon the exercise or redemption and settlement of PSUs, RSUs and DSUs shall be fixed at a maximum of 751,686 Common Shares.
Plan Limits	 The LTIP restricts the Company from issuing Awards to individuals or designated groups of individuals as follows: the number of Common Shares issuable pursuant to Awards granted to insiders (as a group) within a one-year period cannot exceed 10% of the issued and outstanding Common Shares,

The following is a summary of the principal terms of the LTIP.

	• the number of Common Shares issuable pursuant to stock options granted to investor relations service providers (as a group) within a one-year period cannot exceed 2% of the issued and outstanding Common Shares.		
	For the purposes of the limitations above, the number of issued and outstanding Common Shares is determined as at the date of grant of the Award. Equity-based incentives issued under any other securities-based compensation plan of the Company are aggregated with Awards granted under the LTIP when determining if an individual or designated group has exceeded the limitations set out above.

	The Board may from time to time, in its discretion and without approval of the shareholders of the Company, make changes to the LTIP or any Award provided such changes do not require the approval of shareholders, including amendments of a "housekeeping" nature or an amendment necessary to comply with applicable law or the requirements of the TSXV or any other regulatory body having authority over the Company, the LTIP, Participants or the shareholders of the Company.

	disinterested shareholders of the Company is required for the following amendments:any reduction in the exercise price of a stock option benefitting an insider of the		
	Company;any extension of the expiry date of an Award benefitting an insider of the

PART 7 – CORPORATE GOVERNANCE

The Board believes that good corporate governance improves corporate performance and benefits all shareholders. National Policy 58-201 *Corporate Governance Guidelines* ("**NP 58-201**") provides non-prescriptive guidelines on corporate governance practices for reporting issuers such as the Company. In addition, National Instrument 58-101 *Disclosure of Corporate Governance Practices* ("**NI 58-101**") prescribes certain disclosure by the Company of its corporate governance practices. The disclosure required by NI 58-101 is presented below.

BOARD OF DIRECTORS

Directors are considered to be independent if they have no direct or indirect material relationship with the Company. A "material relationship" is a relationship that could, in the view of the Company's Board, be reasonably expected to interfere with the exercise of a director's independent judgment.

Nav Dhaliwal and Dale Ginn are executive officers of the Company and are therefore not considered to be "independent" pursuant to NI 58-101. David Velisek, Nathan Tribble and John Newell are independent directors pursuant to NI 58-101.

The Board facilitates its exercise of independent supervision over management by carefully examining issues and consulting with outside counsel and other advisors in appropriate circumstances. The Board believes that fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law, as well as the restrictions placed by applicable corporate legislation on the individual director's participation in decisions of the Board in which the director has an interest, have been sufficient to ensure that each director exercises independent judgment in carrying out his responsibilities and acting in the best interests of the Company.

The mandate of the Board, as prescribed by the *Business Corporations Act* (British Columbia) is to manage or supervise management of the business and affairs of the Company and to act with a view to the best interests of the Company. In doing so, the Board oversees the management of the Company's affairs directly.

ORIENTATION AND CONTINUING EDUCATION

When new directors are appointed, they receive orientation, commensurate with their previous experience, on the Company's properties, business, technology and industry and on the responsibilities of directors. Board meetings may also include presentations by the Company's management and consultants to give the directors additional insight into the Company's business. Individual directors are responsible for maintaining their own education, skills and knowledge at an appropriate level.

ETHICAL BUSINESS CONDUCT

The Board has not, to date, adopted a formal written code of ethical business conduct. The current limited size of the Company's operations, and the small number of officers and consultants allow the Board to monitor, on an ongoing basis, the activities of management and to ensure that the highest standard of ethical conduct is maintained. The Board is aware of the recommendation in NP 58-201 to adopt a written code of business conduct and ethics and will review different standards that may be appropriate for the Company to adopt if warranted.

To date, the Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company. Under corporate legislation, a director is required to act honestly and in good faith with a view to the best interests of the Company and exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances. A director must disclose to the Board the nature and extent of any interest of the director in any material contract or material transaction, whether made or proposed, if the director is a party to the contract or transaction, is a director or officer (or an individual acting in a similar capacity) of a party to the contract or transaction or has a material interest in a party to the contract or transaction. The disclosure must be evidenced in writing by being included in the consent resolutions or minutes of the meeting that approve the transaction or in a written disclosure delivered to the Company's records office. Unless the director properly discloses his interest and has the transaction properly approved, he may be liable to account to the Company for any profit he makes as a result of the transaction, unless the court finds that the transaction was fair and reasonable to the Company. Once the appropriate disclosure has been made by the interested director, the transaction must be approved by the directors or by the shareholders by special resolution. An interested director would not be entitled to vote at meetings of directors which evoke any such conflict.

NOMINATION OF DIRECTORS

The Board is responsible for identifying individuals qualified to become new Board members and recommending to the Board new director nominees to fill vacancies and for the next annual meeting of the shareholders. The Board considers its size each year when it considers the number of directors to recommend to the shareholders for election at the annual meeting of shareholders, taking into account the number required to carry out the Board's duties

effectively and to maintain a diversity of views and experience. New nominees must have a track record in general business management, special expertise in an area of strategic interest to the Company, the ability to devote the time required, show support for the Company's mission and strategic objectives and a willingness to serve.

The Board does not have a nominating committee, and these functions are currently performed by the Board as a whole; however, this policy may be reviewed in the future depending on the circumstances of the Company.

COMPENSATION

The Board periodically reviews the compensation paid to directors, management and other employees based on such factors as time commitment and level of responsibility and the Company's current position as an exploration company with limited operating revenue.

The Board does not have a compensation committee, and these functions are currently performed by the Board as a whole; however, this policy may be reviewed in the future depending on the circumstances of the Company.

OTHER BOARD COMMITTEES
